

Western North Carolina Conference
**Hands On Mission Opportunity
Annual Meeting**

September 10, 11 & 12, 2010, Lake Junaluska

Gift to Mission Cards

Our continuing Conference Priority is to be advocates for children...making a difference in the life of a child. Let us continue to use every opportunity to give a **Gift to Mission** card to honor those persons who do make a difference in children's lives in our schools, churches and communities. There are many opportunities throughout the year that we can use a **Gift to Mission** card to honor those persons who are making a positive impact for our children.

Gift to Mission honors someone in her or his name with an undesignated Gift to Mission of at least \$5.00. **Gift to Mission** is one of the five channels of Undesignated Mission Giving. Undesignated Mission Giving supports the total program of mission carried out by United Methodist Women. With your gift, you honor someone, and you make a difference in the lives of women, children, and youth around the world.

At our annual meeting, **Gift to Mission** cards will be available in the resource room with a limited supply of stamps. If you want to purchase yours before you arrive, buy them through your local unit, or district treasurer, or at a conference event.
