

Western North Carolina Conference

Hands-On Mission Opportunity School of Christian Mission

July 14-17, 2011, Pfeiffer University (Misenheimer Campus)

UMCOR Health Kits

Disasters continue around the world, affecting women, children and youth. We must answer the call to mission. UMCOR has again expressed an urgent need for Health Kits. Encourage others in your local unit and congregation to participate...even if they cannot attend the School of Christian Mission. We will deliver the health kits to our conference Mission Response Center for shipment to the UMCOR Sager Brown Depot. Participating in this Hands-On Mission Opportunity will help your local unit to meet Mission Today criteria #22. **Information about our School of Christian Mission is available on our website at www.wnccumw.org.**

Health kits provide basic necessities to people who have been forced to leave their homes because of human conflict or natural disaster. Health kits are also used as learning tools in personal hygiene, literacy, nutrition and cooking classes. When people gain the knowledge and materials to maintain personal hygiene, their overall health improves.

UMCOR Health Kit Contents:

Place the following **NEW** items inside a sealed one-gallon plastic bag.

- 1 hand towel (15" x 25" up to 17" x 27", no kitchen towels)
- 1 washcloth
- 1 comb (large and sturdy, not pocket-sized)
- 1 nail file or fingernail clippers (no emery boards or toenail clippers)
- 1 bath-size bar of soap (3 oz. and up)
- 1 toothbrush (single brushes only in original wrapper, no child-size brushes)
- 6 adhesive plastic strip sterile bandages

In a separate envelope, please include a check payable to UMCOR Sager Brown for at least \$2.00 per kit to help with the costs of buying one tube of toothpaste, and the costs of processing and shipping the kits around the world. Please do not put the money envelope in your UMCOR Health Kit bag.

If you are bringing multiple kits, it is fine to just write one check in an amount sufficient to cover all of your kits. If your whole unit is collecting the kits, it will be okay to collect the money and put it all in one envelope to be turned in when you drop off your kits at the School of Christian Mission. (NOTE: UMCOR is now purchasing toothpaste in bulk to be added to health kits before shipping to ensure that the product does not expire before it is sent.)

If at all possible, please pack your kits in a box that can be handled easily by our women and write the total number of kits on the side of the box. (Paper case boxes are a nice size.) We are trying to make it as easy as possible to collect, count and transport our Health Kits.

Important Kit Assembly Information:

- All items included in kits must be **NEW** items.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, **It is important that kits contain only the requested items - nothing more.**
- **Do NOT include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.**
- Please do not include any religious, political or patriotic notes or emblems in any kit.

Thank you for your generous support of our hands-on mission opportunity!
