

Property Makes Mission Possible

a call to prayer and self-denial • 2010

The 2010 Call to Prayer and Self-Denial offering fund will provide for capital expenditures at mission institutions related to the Women's Division of the United Methodist General Board of Global Ministries, United Methodist Women's national policy-making arm. In the United States, these institutions include community centers, women's residences, schools, colleges and residential treatment centers. Internationally, these institutions include hostels, residences, hospitals, clinics, schools, and community and day-care centers. The offering will be divided between U.S. and international projects. Funds from this observance will be used to expand facilities for new and emerging programs, as well as for repairs and renovations to maintain and enhance established ministries with women, children and youth.

Our prayer...

Gracious God, as we enter into a period of prayer and reflection, give us the clarity to remember your goodness in our lives and the lives of those we love and hold dear. Keep before us the fact that we are fortunate, and that you expect us to share your love with others in whatever way we can. Guide us on this journey of self-denial. Show us the path you want us to take. May our actions be what you desire your children to do. This we ask in the name of your son, Jesus the Christ. Amen.
