

**Mission Today Report for 2008
(Annual Meeting 2009)**

Good morning.

The goal in 2008 was to have 40% of Western North Carolina United Methodist Women's units be Mission Today units. YOU DID IT! Celebrate your achievements! Some districts went way above the goal! One district went as high as 60%. That is great!

Our goal for 2009 is 5% above the goal for 2008. That is only 45% of all units being a Mission Today unit. I am sure that every unit is working really hard to be a Mission Today unit for 2009. You still have plenty of time to work on the Mission Today criteria. Make your own unit a goal ... to complete one more criterion than you completed last year. I know that our Conference will make the goal again this year!

Take action and let's do it!
